NOTICE

*The Shenandoah County Sheriff's Office offers this service to Shenandoah County property owners (residential and business) with special needs. You may request this service for up to 30 days at a time. Requests will expire after 30 days or on the date specified on this form. After expiration you must contact the Sheriff's Office to renew your request. Please keep in mind, Deputies are first obligated to respond to emergency situations and calls for service. As time permits, Deputies will check your property for your stated concerns and/or for signs of suspicious/criminal activity. The overall objective of this service is to reduce criminal activity such as burglaries. However, the Shenandoah County Sheriff's Office can not guarantee that crimes will not occur. This service is only a supplement to your own residential and business security measures. Adequate locks, alarm systems, proper lighting, are some of the basics of a sound security program that should not be overlooked. **The requesting person has read or has been explained the above notice;***
